SWAT SHERIFF'S DEPT.

SWAT Sheriff's Dept.

21st Century Toys adds more tactical firepower to their growing **America's Finest** line-up with this dynamic 12-inch "SWAT Sheriff's Department" action figure. A sheriff's department is responsible for not just one city or town, but their entire county. Sometimes that means their jurisdiction covers dozens of towns or small cities or suburbs, plus the county's rural or unpopulated are as well. This is the reason many sheriff's department SWAT teams choose to wear green, olive drab or woodland camouflage uniforms and equipment, compared to their big city SWAT team counterparts who often elect to wear blue, gray or black tactical gear to match their urban environment. Cross-trained in both urban and woodland SWAT tactics, sheriff department SWAT teams are some of the best in the country.
