U.S. TANK COMMANDER

21st Century Toys is proud to honor the U.S. Tanker of World War II, with this tough, cigar-chompin', chrome-domed 12-inch military action figure. These brave knights in moving armor valiantly tor up the European continent in their lightly-armored Stuarts and Shermans, battling superior German tanks that had thicker armor and bigger guns.

From the Italian campaign to the beaches of Normandy, to the Battle of the Bulge and beyond, no American soldier was quite as swaggeringly cool or brave as the U.S. Tanker. Here's what he comes with and how you gear him up.
